Lock-down Artworks

Beth

New Receptionist

The High Street Dental Practice would like to welcome Beth to the Team!

Beth is working alongside Sophie and Kirsty on Reception, whilst also being our Treatment Coordinator and Care Quality Commission Coordinator.

Beth is also a qualified Dental Nurse so you will see her all around the Practice!

Lock-down Artworks

This lovely picture of flowers was coloured in by **Diane, our Dental Hygienist.** It definitely brightened up our day with its bright colours!

This picture was created by **Kirsty, our Receptionist.** It is split into two sections by a canal; the top half shows the positive things about lock-down and the bottom half shows the more challenging aspects of lock-down.

Lock-down Artworks

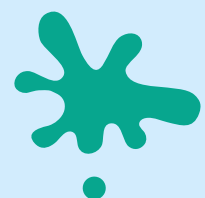

Valerie, our Business Administrator,
drew and coloured in this summer vase of flowers. The detail on the petals is fantastic!

*If you have created a piece of art-work,
we would love to see it!*

*Please send a photo to info@thehsdp.co.uk
as we may feature it in our Winter Newsletter!*

Dental Implants

Are you missing a tooth or two?

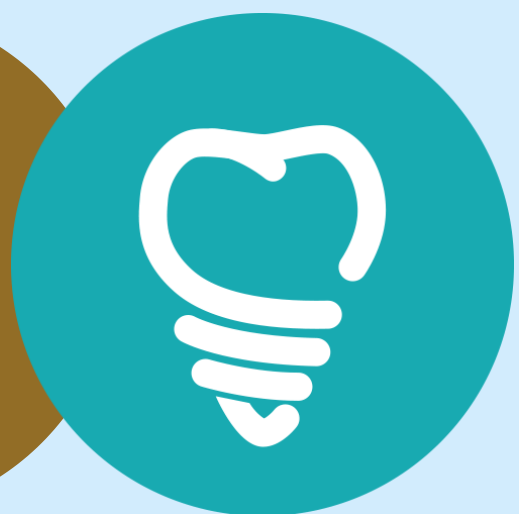

Dental Implants could be the solution!

A Dental Implant is an artificial replacement for a tooth, which is made up of a titanium screw and ceramic crown. Most adults are suitable for dental implants if they have good general health. Treatment can vary from six weeks to six months depending on the complexity of the treatment. Dental Implants have a good success and longevity rate, which may make it the most suitable treatment for you.

How to achieve a face smile!

Has the stress of Covid-19 affected your appearance?

The High Street Dental Practice offers a range of **Non-Surgical Anti-Wrinkle Treatments** that can help to relax skin and soften facial muscles, which can enhance the skin's youthful appearance.

Our Dentists are trained professionals who take the time to understand what our patients want to achieve and keep the emphasis on natural looking results, not only in their smile but also across your face.

Your Dentist will discuss all the possible treatment options with you in your
Free Facial Aesthetics Consultation
with no obligation!

New computer system

The High Street Dental Practice have had a busy few months. Back in July, we upgraded our computer hardware and software!

All the Team are very pleased with the new computer system and would like to continue improving your experience at the Practice.

Thank you for your patience over the last few months.

This is a picture of when the new hardware was delivered!

This was the new hardware being installed!

Private patients are welcome!

We offer the option to join one of our Membership Plans:

Membership Plan 1
